PROFILE

Data Science & Analytics undergraduate pursuing a Public Health minor, with hands-on experience in predictive modeling, statistical analysis, data visualization, and reporting. Interested in applying data science to healthcare and operational decisions.

EDUCATION

Kennesaw State University | Kennesaw, GA Expected Dec 2027
B.S. in Data Science and Analytics | GPA: 3.62 | Public Health minor (in progress)

Georgia State University | Atlanta, GA May 2025
A.S. in Computer Science | GPA: 3.48

TECHNICAL SKILLS

Programming & Data: Python, SQL, R, SAS, Pandas, NumPy, scikit-learn, statistical analysis

Visualization & Reporting: Power BI, Excel, Power Query, DAX, Matplotlib, Plotly

Tools & Methods: MySQL, Git/GitHub, VS Code, REST APIs, JSON, EDA, forecasting, feature engineering

SELECTED PROJECTS

NYC Taxi Demand Forecasting | Python, Pandas, Machine Learning 2026
- Prepared and aggregated 26M+ NYC Yellow Taxi trips; engineered hourly, lag, and rolling-window features to forecast demand.
- Reduced prediction RMSE by 38.9% compared with baseline (10.53 vs. 17.24).

U.S. Data Job Market Analysis | R, Python, Power BI 2026
- Collected and cleaned 5,941 U.S. job postings through the Adzuna API to analyze data roles, salaries, and in-demand skills.
- Built a three-page Power BI dashboard to communicate job-market and salary trends.

Hardware Store Sales Analysis & Forecast | Power BI 2025-2026
- Analyzed sales, costs, profit, products, and margins; found 2026 revenue growth of 14.63% and profit growth of 10.08%.
- Applied Holt linear trend forecasting to estimate approximately $1.22M in 2027 revenue.

EXPERIENCE

Healthcare Data Analytics Intern | Confidential Healthcare Organization Summer 2026
- Assisted with organizing and cleaning healthcare data and supporting routine reporting and analysis.
- Contributed to data-quality checks, trend summaries, and spreadsheet-based analytical outputs.

Student Assistant | Kennesaw State University, Marietta, GA Present
- Support student center operations; answer questions and help students and visitors locate campus resources.

HONORS & AWARDS

President's List (Summer 2024) | Dean's List (Fall 2024, Fall 2025, Spring 2026) | Sophomore STEM Student Recognition
